

## ComPay Pricing

There are 2 types of fees associated with ComPay:

1. Transaction Fees
2. Merchant Service Fees (MSF)

### Transaction fees

The transaction fee is \$1.60 plus GST, and applies to the entire transaction. So you may have multiple invoice or storage payments in the one transaction and only incur the small \$1.60 fee.

### Merchant service fees (MSF)

If you're paying by credit card, the applicable MSF is as follows.

#### For registered users:

Visa - 1.93%

Mastercard - 1.93%

Diners - 3.3%

#### For non-registered users:
