

Service between Australia, New Zealand and West Coast North America (PANZ)

TEMPORARY SERVICE CHANGE

24 September 2020

Dear Customer,

Further to our advice on 22 September of change to **SYNERGY OAKLAND 034S/ 039N** and **SYNERGY KEELUNG 035S/040N** on our PANZ service, we would like to advise that due to the ongoing port congestion, a similar service change will continue on forward sailings until **BROTONNE BRIDGE 041S/ 046N**

There will be a fortnightly omission of Sydney call with import cargo discharged at Melbourne.

The following week's sailing will then change rotation and call Melbourne prior to Sydney to accommodate the Sydney destined cargo.

The following sailings will omit Sydney:

ANL TONGALA 036S / 041N

LONDON EXPRESS 038S / 043N

KOTA EKSPRES 040S / 045N

The following sailings will call Melbourne prior to Sydney:

DEBUS 037S / 042N

CAP CAPRICORN 039S /044N

BROTONNE BRIDGE 041S / 046N

Our weekly sailing schedule will be updated to reflect this change.

Thank you for your understanding and our apologies for any inconvenience caused.

Please contact your local customer service desk should you require further details.
