With the Queen’s Birthday and Labour Day approaching this weekend in NSW, ACT, SA and QLD, TCF wishes to advise our operating hours and policies during this period.

DATE	TCF NSW/QLD OPERATING HOURS
Saturday 3 October	Closed
Sunday 4 October	Closed
Monday 5 October	Closed

TCF New South Wales (Sydney) and Queensland (Gold Coast) offices will be closed as above as will the transport operators in NSW, ACT, SA and QLD. If your container requires collection during this period, the following additional charges will apply over and above your advised rates:

Charges	Fri	Sat	Sun	Mon
20ft Container (Storage \$30 per day)				
Surcharge per container	\$350	\$350	\$350	\$350
Staging fee*	\$220	\$220	\$220	\$220
40ft Container (Storage \$40 per day)				
Surcharge per container	\$400	\$400	\$400	\$400
Staging fee*	\$230	\$230	\$230	\$230

* storage and LOLO fees may apply

** Fuel Surcharges are also applicable

Please note that due to the extended period of closure, subject to vessel availability advised by Australia-wide Ports and the congestion issues currently experienced in Sydney, only limited deliveries may be available during the period leading up to and directly following these dates. We will do everything we can to ensure speed of delivery of containers during this period, however with the Empty Container Park situation, reduced operating hours and the industrial action occurring in Sydney particularly, some containers may incur detention during this period.

On behalf of the entire team at TCF, we wish you a healthy & enjoyable long weekend

Yours Sincerely,

TCF International Pty Ltd
