

Welcome to your new dashboard

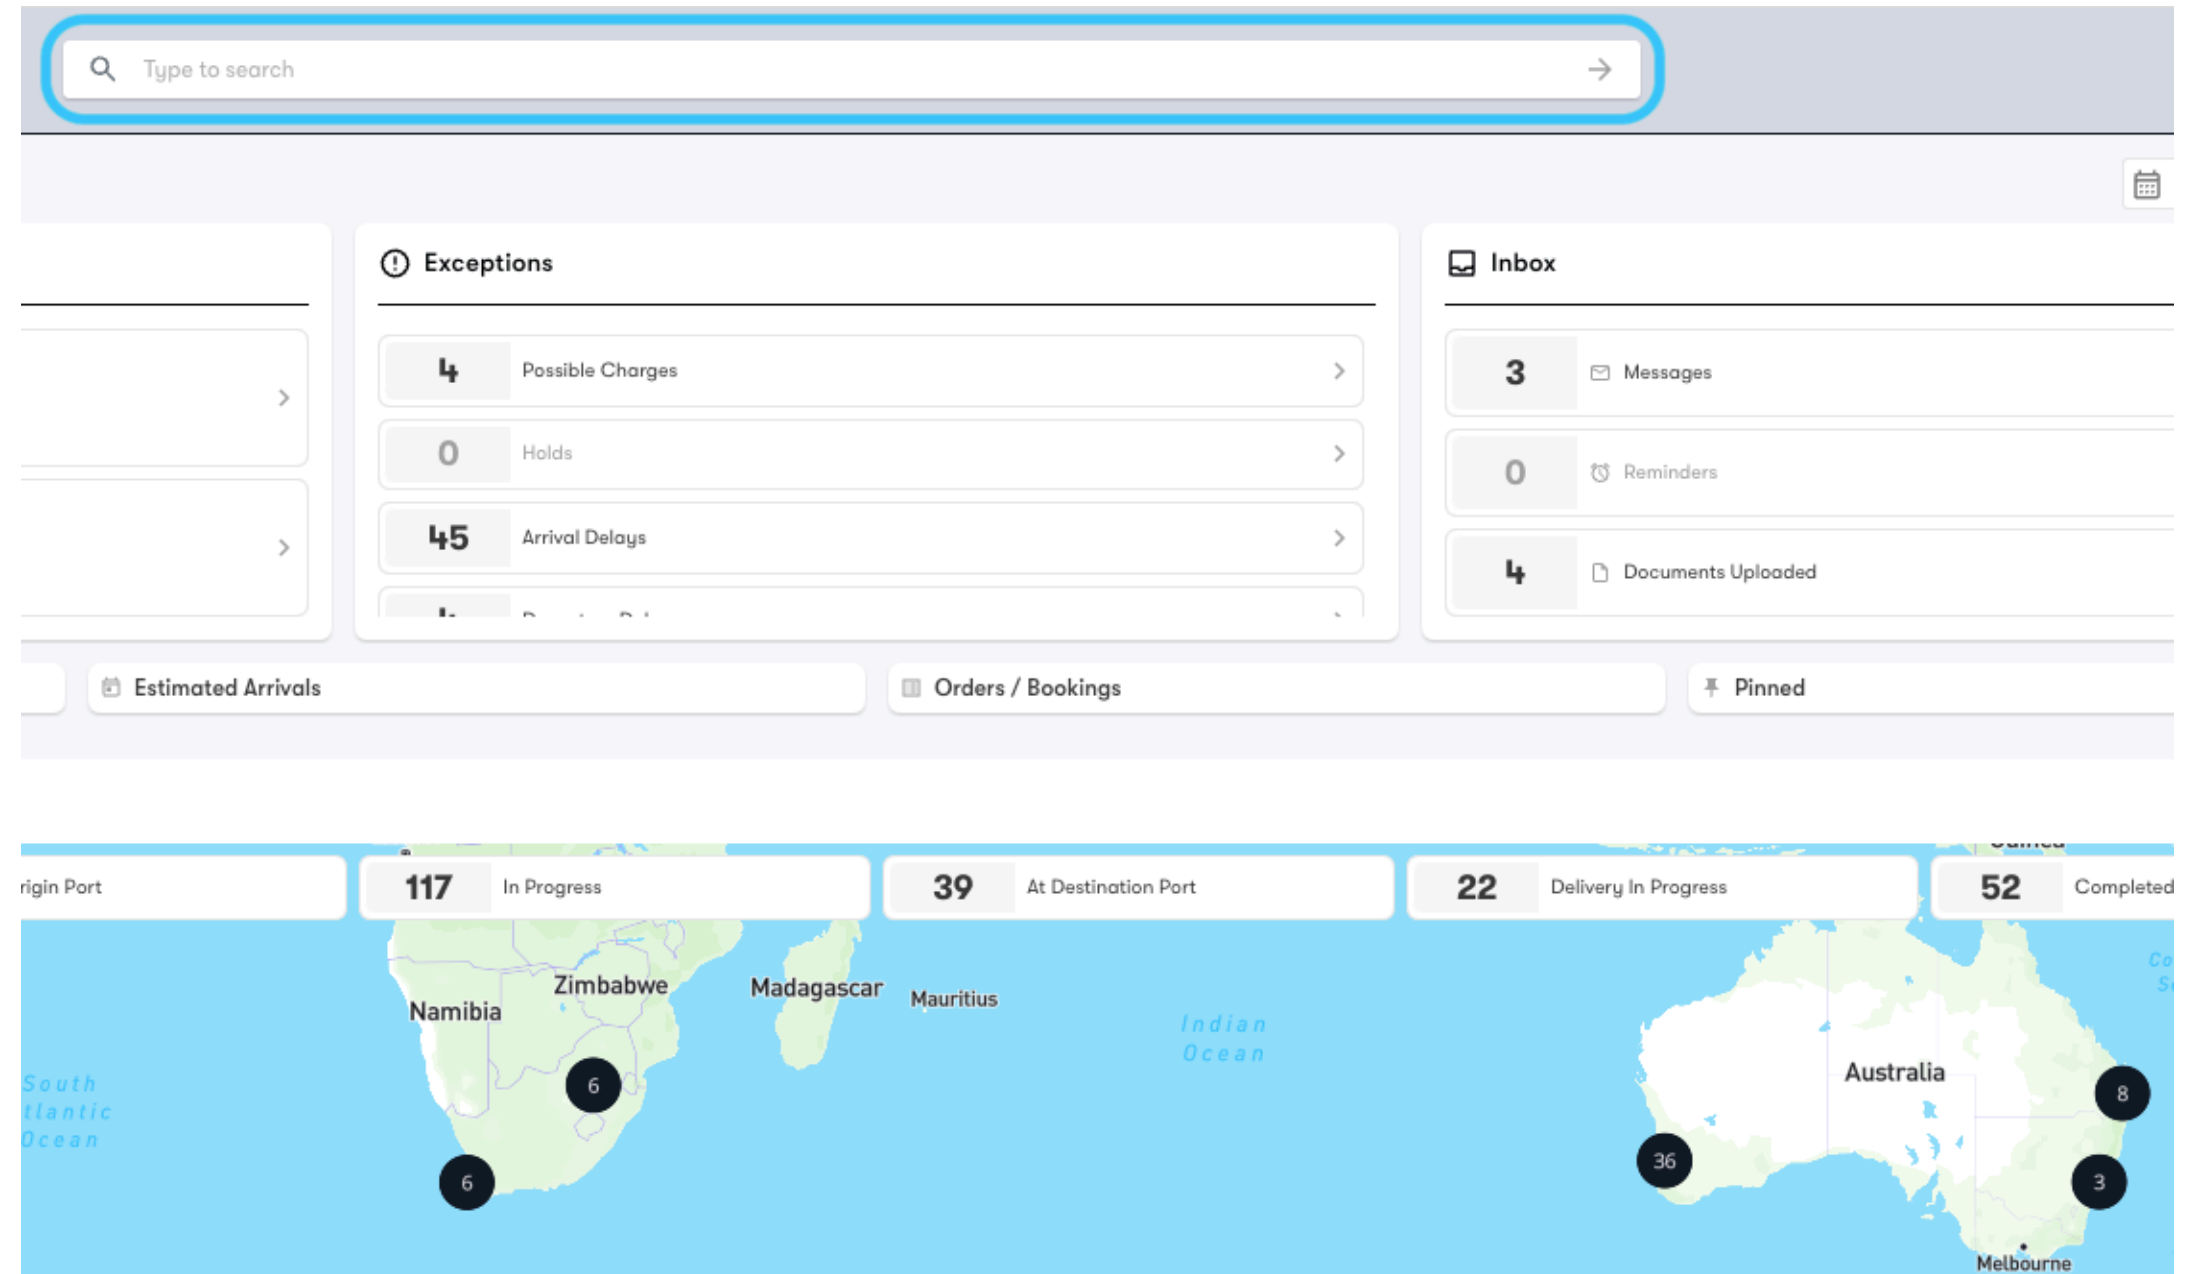

Your dashboard helps you keep an eye on all your active bookings, orders, and shipments. Right when you log in to the platform, you'll see a quick overview of the things that matter most to you. The dashboard also makes it easy to drill down into something that might need more attention.

Search Bar

Find any shipment or order on your platform in seconds.
Search by:

- Shipment ID
- Order ID
- Container Number
- Product Code
- House Bill
- Master Bill
- Air Waybill
- Seal Number
- Declaration Entry Number

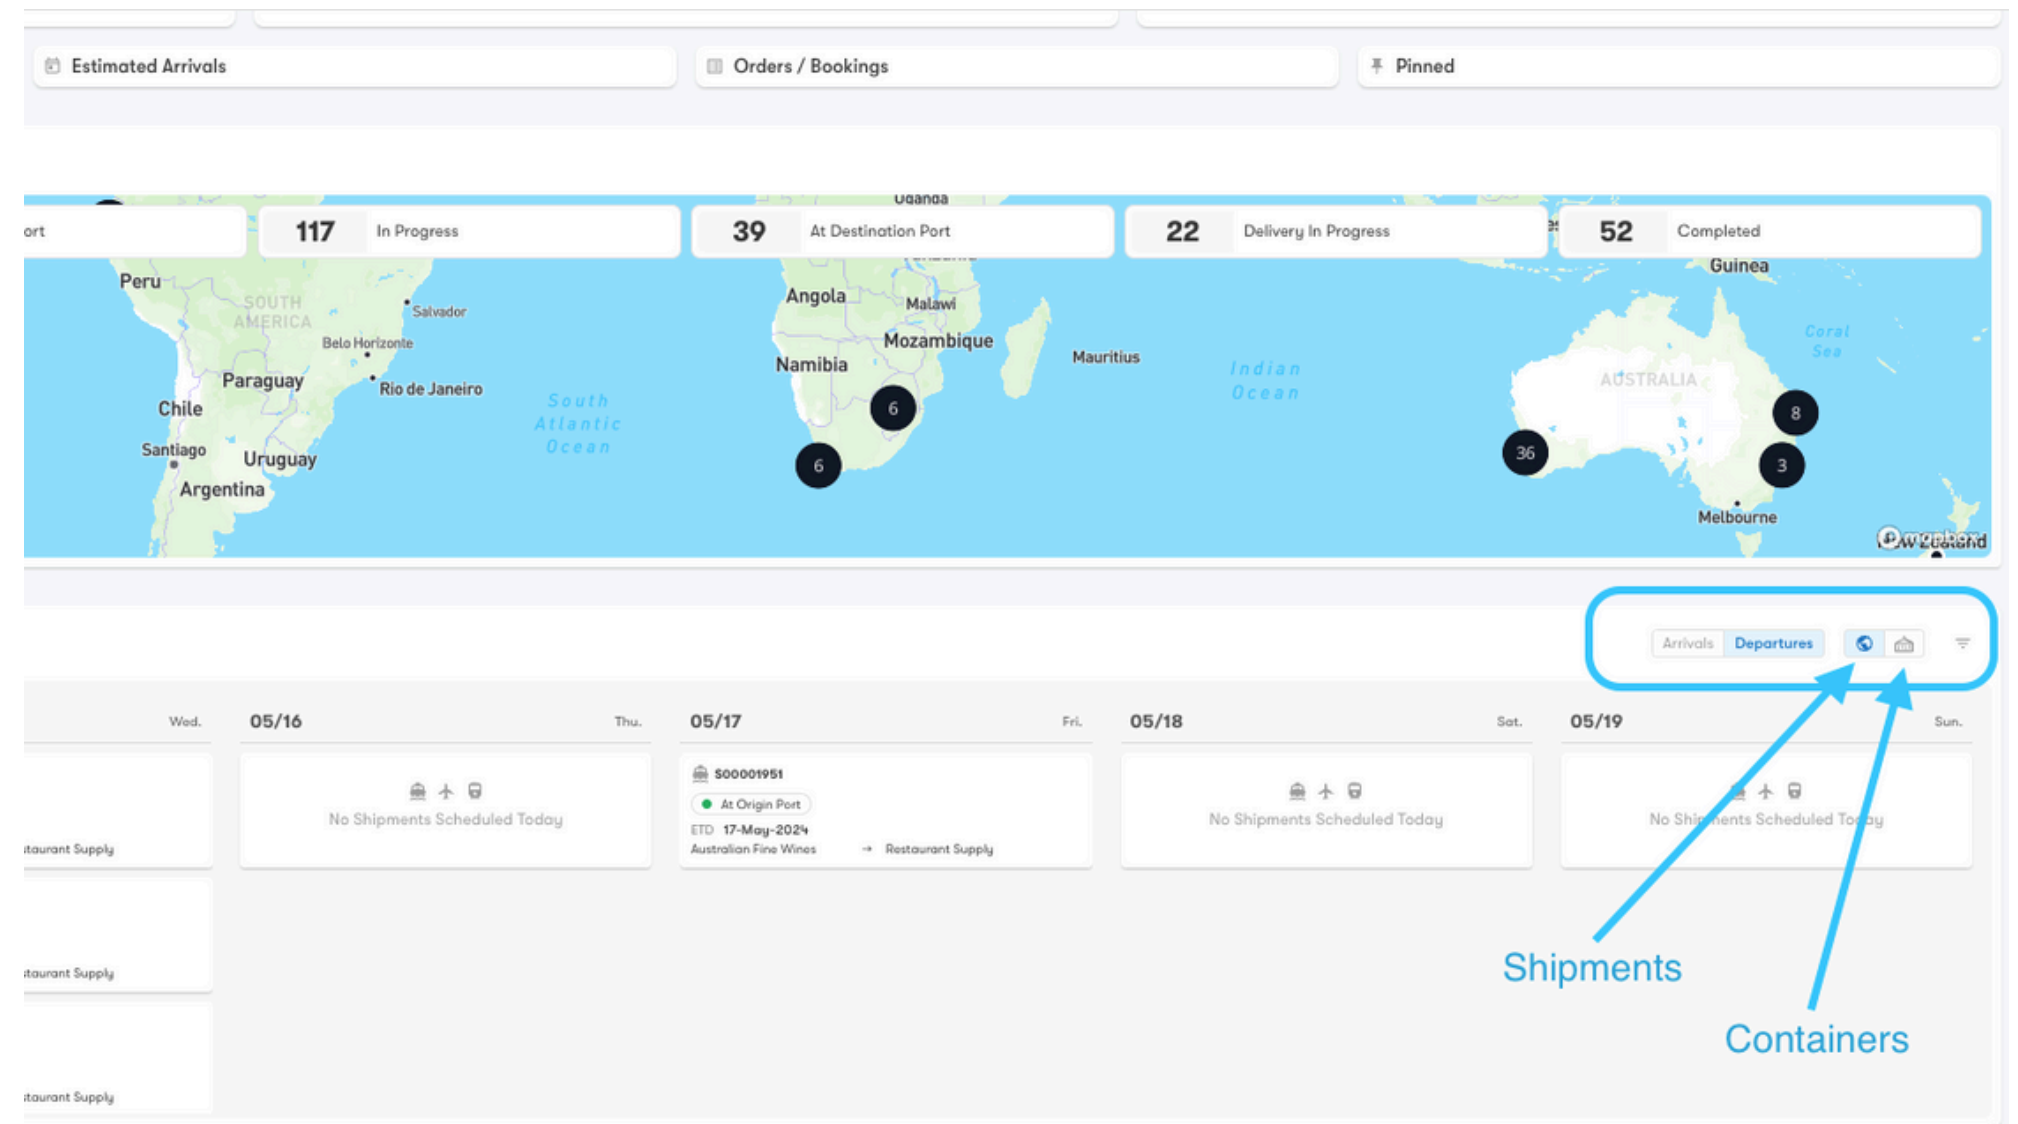

Arrivals vs. Departures

Switch your dashboard view between incoming and outgoing shipments with just a click.

Shipments vs. Containers

Switch your dashboard view between shipments and containers with just a click.

Inbox

Check out what's new with your shipments, including messages, reminders and documents.

Filter your inbox by date using the Date Range box.

The screenshot displays a user interface for an inbox. At the top right, there is a date range filter box containing a calendar icon and the text "08-May-2024 to 15-May-2024". Below this, the main section is titled "Inbox" with an envelope icon. A horizontal line separates the title from the content. The content consists of three stacked, rounded rectangular items, each with a count on the left, an icon and label in the middle, and a chevron arrow on the right. The first item shows "3" next to an envelope icon and the text "Messages". The second item shows "0" next to a clock icon and the text "Reminders". The third item shows "4" next to a document icon and the text "Documents Uploaded".

Count	Category
3	Messages
0	Reminders
4	Documents Uploaded

Exceptions

See any occurrences that delay or block a shipment from reaching its final destination as expected.
