Please be advised of the following arrangements during the holiday period:

- **Staging & Storage Fees:** Containers collected from 30 April thru 5 May that cannot be delivered due to client closures will incur staging, back-to-yard, and storage fees.
- **Additional Fees:** Transfers from bonded to non-bonded facilities during this time will attract additional charges. Higher storage fees apply if cargo cannot be moved.
- **Public Holidays:** Transport operators will be closed on listed public holiday. Toll fees may apply based on staging and storage locations.
- **Delivery Expectations:**
Due to reduced delivery capabilities during short weeks and vessel availability, delays may occur, especially with empty container collection and de-hire. Customs-held entries will be monitored, and timeslots booked once carriers reopen. Wharf storage fees may apply for holds cleared during closures.
- **Container Detention:**
Notifications for empty container returns must be made by 1:00 PM, Tuesday 28 April. Transport operators will not accept responsibility for detention fees if notified after this cut-off. During this peak season, empty collections may take 72+ hours to arrange.

Thank you for your understanding, and on behalf of the TCF team, we wish you a safe and happy long weekend.

Yours Sincerely,

TCF International Pty Ltd
